

Scotch-Brite™  
Fine Finishing Hand Pad

the  
gentle way  
to a smooth finish

Scotch-Brite™ Fine Finish hand pad features a special non-woven web with ultra fine grade silicon carbide to deliver the smoothest finish on a variety of surfaces. Fine Finish hand pad does not rust like steel wool and gives you consistently better results - without compromising on safety.

This specially developed pad is made for the auto component, wood and aluminium finishing markets.

Fine Finish hand pad performs equally well on a variety of substrates: metal, wood, plastic, composites and delivers consistently. Saving you cost and time.

Scotch-Brite™ Fine Finish hand pad is brought to you by 3M, the surface modification solutions provider for the world.

Go ahead, experience the smoothest finishes yet with Fine Finish hand pad in your hand.
